RECEIPT OF APPLICATION AND DISCUSSION: REFERRAL FOR CGS 8-24 REPORT –
INSTALLATION OF TRAFFIC CALMING DEVICES ON THE DRIVE NORTH OF THE WESTON
MIDDLE SCHOOL (WESTON PUBLIC SCHOOLS AND TOWN OF WESTON)

John Conte, Town Highway Engineer, came forward with the plans to show the Commission members the details of the proposal for traffic calming devices in three locations on the drive north of the Weston Middle School. He also presented sample of the proposed rubber speed hump.

A discussion followed to include installation, weather conditions, lighting and signage.

Dan Clark, Dr. Joann Keating, Dr. Coleen Palmer came up and stated their proposal for the necessity of the traffic calming devices. It was requested to obtain approval as soon as possible so that the Board of Selectmen can go through the proper procedures before final approval.

Jane Connolly moved that the Commission recommend a positive resolution to install appropriate traffic calming devices or structures and related signage on the access road/driveway north of the Weston Middle School for the safety of the Weston Public Schools and the public.
